

DELINEATORS

Flexible channelizing solutions for safer work zones.

DEFINE THE PATH. PROTECT PEOPLE.

From daily road work to special events, our durable delineators, drums, and channelizing systems deliver dependable visibility and control. Choose from flexible posts, loop tubes, weighted bases, and surface-mounted options for the job at hand.

HIGH VISIBILITY

Reflective options improve visibility in low-light conditions.

FLEXIBLE DESIGN

Impact-resistant posts stand up to demanding work zones.

STABLE BASES

Weighted choices help devices remain securely in place.

CONFIGURABLE OPTIONS

Multiple styles and mounting systems fit the application.

APPLICATIONS

ROAD WORK

TRAFFIC CONTROL

CONSTRUCTION

UTILITIES

EVENTS

FLEXIBLE POSTS
