

Performance with Pride™

PERFORMANCE WITH PRIDE™

OUR MISSION

To provide the best Traffic Control Services and products to the Highway and Event Industries in the upper Midwest while creating employee and customer loyalty through uncompromising integrity.

With one of the most experienced teams in the industry, we have the expertise to handle any project, regardless of scale.

With our headquarters in Minneapolis and regional offices in Brainerd, Duluth, Rochester, and St. Cloud, we proudly provide unmatched responsiveness and true statewide coverage for communities across Minnesota.

ABOUT WARNING LITES

Since 1954, Warning Lites has been a trusted partner for roadway safety and traffic control throughout Minnesota. We combine premium products, knowledgeable professionals, and dependable service to help customers complete every project safely, efficiently, and on schedule.
